Provide a general description of the premises

Continued from previous page...

For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies you must include a description of where the place will be and its proximity to the premises.

The premises at 63 Church Street, Guisborough, comprise three distinct areas: a drop-and-go laundry area, a launderette area, and a café/bar area. The ethos of the business is to provide a contemporary space where customers can relax and socialise, with the added convenience of laundry services. The café/bar will serve a selection of beverages, including limited alcoholic drinks, to complement the primary café offerings.

The drop-and-go laundry area is dedicated solely to staff use and houses industrial laundry equipment. Customers will not have access to this area. The drop-and-go service allows customers to leave their laundry with staff for washing and collection at a later time. This area is located in the northern part of the premises, ensuring easy access for staff to manage laundry efficiently.

The launderette area is designed for customer use and is equipped with self-service laundry machines. Customers can choose to wash and dry their laundry independently. This section is centrally located within the premises, providing easy access from both the entrance and the café/bar area. Clear signage will guide customers to the self-service machines and provide instructions for use.

The café/bar area is the focal point of the premises, offering a relaxing environment for customers. The emphasis is on providing a café experience, with a menu featuring barista-made coffees, teas, and a selection of light snacks and meals. Additionally, a limited range of alcoholic beverages, such as beers and Aperol, will be available to complement the café offerings. The café/bar area includes a variety of seating options, such as tables, chairs, and lounge seating, arranged to create a comfortable and inviting atmosphere. The seating layout is designed to accommodate approximately 40 customers.

There is a designated outdoor seating area adjacent to the café/bar, highlighted on the attached plans. This space provides additional seating options for customers who prefer to enjoy their refreshments outside. The bar is centrally located within the café/bar area and is equipped to serve both non-alcoholic and alcoholic beverages. The bar is staffed by trained baristas who will also handle the limited alcohol service. The premises are equipped with appropriate fire safety measures, including fire exit signs, fire detectors, and fire extinguishers, as indicated on the plans.

The café/bar will operate during standard business hours, with the option to extend hours for special events. The premises may occasionally host pop-up evening events, which could include live music performances. These events will be infrequent and aimed at enhancing the community atmosphere rather than promoting the premises as a primary drinking destination. To ensure the safety and comfort of all patrons, the premises will implement necessary security measures during any evening events, including staff supervision and adherence to licensing requirements for alcohol service.

The licensed area, encompassing 70 square meters, is outlined on the attached floor plan. This area includes the indoor café/bar space and the outdoor seating area. Alcoholic beverages will be served exclusively within this designated licensed area, ensuring compliance with licensing regulations.

This premises aims to provide a unique blend of laundry services and café culture, offering a relaxing and contemporary space for the community. The limited alcohol service is intended to enhance the customer experience, with a focus on maintaining a café atmosphere rather than promoting the premises as a drinking destination. The inclusion of occasional pop-up evening events will further enrich the community engagement and provide a versatile space for various activities.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,

 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
