

Changes consultation

Feedback form

Let us know your views

Thank you for taking the time to share your views with us on our proposals for H2Teesside.

The purpose of this consultation is to seek feedback from the public, landowners and other stakeholders on 14 changes we are proposing to make to our application for a Development Consent Order (DCO) to seek consent to build and operate H2Teesside.

More information

A consultation document providing further information on the proposed changes, including environmental information and plans showing their location, can be found on our website: www.h2teesside.co.uk or at document inspection venues where a copy of the consultation document can be viewed on a publicly available computer.

The project website includes details of the document inspection venues. Hard copies of the consultation document and details of the document inspection venues can also be obtained by calling **0800 0803028** or writing to us using the contact details provided below.
