

MARKET ENGAGEMENT EVENT

Large Plant Hire Framework

Redcar and Cleveland Borough Council would like to invite you to a market engagement event for the up-and-coming procurement exercise for the Large Plant Hire Framework. The event will provide information on the proposed service specification and details of the procurement process.

The Council is establishing a framework for the hiring of large plant/equipment. The Framework will cover the hiring of Large Plant & Equipment both with an Operator and Self-Drive.

Tender documentation is expected to be issued in late November 2024. The Framework is expected to commence in May 2025.

A provider engagement session will be held virtually via Microsoft Teams at 11:00 on Tuesday 12 November 2024 for approximately one hour.

Providers wishing to register attendance must do so in writing to Kieran Stirzaker (Kieran.Stirzaker@redcar-cleveland.gov.uk) no later than 17:00 on Friday 8 November 2024. Please provide your organisation's name and name of those wishing to attend, along with email addresses.

If you are unable to attend on the dates provided but would like to discuss the forthcoming opportunity with the Council, please email and we will endeavour to arrange a call to discuss.

We look forward to seeing you.
