

Urgent Cabinet Report/Delegated Decision Form

Report/Decision Title	Skippers Lane – Divert BT duct boxes and cabinets
Date of request	06/03/2024
Date of meeting/decision	

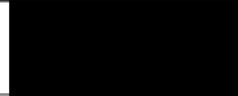

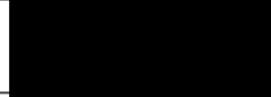

Urgent – General Exception - Reasons for urgency outlined below

BT are required to undertake diversion works to enable the Skippers Lane project. They are the only supplier able to do this work to their equipment. The order needs to be funded upfront, based on the current quotation which may become out of date if the Council wait for the fw plan and DP process given the value exceeds £250k.

I confirm that the relevant chair of Scrutiny and Improvement Committee (or if there is not chair, the whole committee individually) and the Cabinet Member have been informed by notice in writing of the decision to be taken.
